I am interested in learning more about volunteering with the Pharr PTA this year in the following committee(s):

- I do not have a specific committee in mind, but would like to be involved with PTA in some capacity.**
- Bingo Night** - Organizes events of this very fun evening, and gather prizes for the winners.
- Exceptional Children's Committee** - Assists special education teachers in planning programs for Exceptional Children's week, as well as fostering awareness for disability acceptance in our schools.
- Father/ Daughter Dance** - Organizes a most anticipated night, where our Pharr fathers get to escort their princesses to a night of dancing.
- Fifth Grade Activities** - Works with Mrs. Thomas and the fifth grade teachers to organize the fifth grade special activities throughout the year.
- Fundraisers** - Organizes the collection and distribution of school fundraising monies and products.
- Health and Nutrition** - Coordinates programs to educate students, parents and the community in the areas of health, nutrition, and safety. It also coordinates Red Ribbon Week.
- Honor Roll** – Coordinates gift packets for our Honor Roll students at Pharr.
- Hospitality** - Organizes and hosts staff luncheons throughout the year, and provides support for appreciation weeks.
- Legislation** - This award winning committee advocates for ALL of our children by keeping our school community aware of legislative issues related to the education and welfare of our children. Participates in PTA Day at the Capitol.
- Membership** - Organizes membership drives, collects and tracks membership dues, distributes membership cards and provides membership reports.
- Mother/Son Event** - Organizes an exciting event for Pharr mothers and their sons.
- Movie Night** – Coordinates and organizes two school Movie Nights per year.
- Reflections** – Organizes the annual Reflections art program, focusing on works of literature, visual art, photography and musical composition.
- Spirit Night** - Coordinates quarterly Pharr Spirit Nights at local restaurants.
